 **NQOK**  
event pods

# Transform boring and underused space into high-value revenue & engagement.

Nook event pods help organisers outperform the competition by creating new sponsorship opportunities, improving attendee wellbeing, and turning uninspiring or overlooked areas into profitable, memorable spaces.

## Acoustics

For remarkable quietness inside

## Lighting

Dimable & Colour Adjustable

## Power Charging

Mains, USB and wireless charging

## Comfortable Seating

With Storage Under The Benches

## Portable

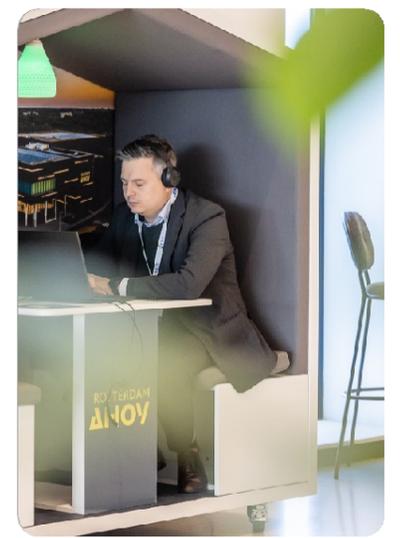

Delivered fully assembled  
And easy to relocate

## Branding

Every Surface  
Can Be Branded

# 1 Unlock powerful new revenue streams.

- Sell clusters of Sponsored Nook event pods as high-value Recharge or Wellness Zones.
- Offer single, fully branded pods as entry-level exhibitor spaces.
- Create sponsored meeting, podcasting, or networking zones that outperform tables and chairs every time.
- Add to small stands or pop-ups to increase exhibitor value without increasing floorplan size.
- Monetise overlooked venue areas - corridors, corners, and back-of-hall spaces become sellable real estate.

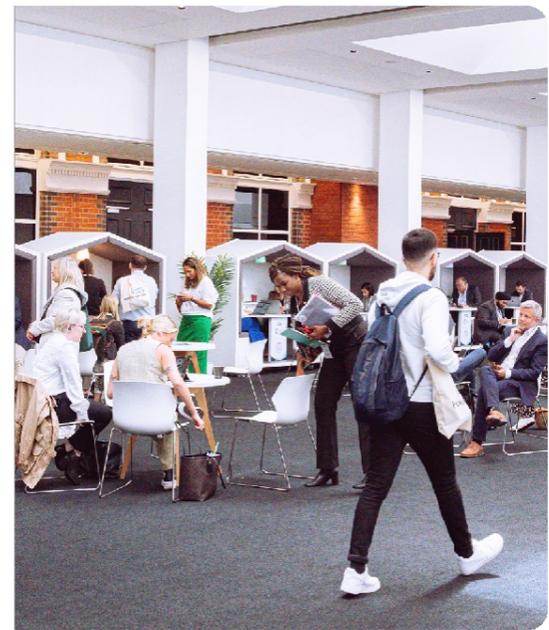

More **pods.**  
More **revenue.**  
More **sponsors**  
saying **YES**

## 2 Deliver better attendee experiences.

- Certified Sensory Support for neurodivergent guests enhances inclusivity.
- Quiet, comfortable spaces reduce fatigue and boost overall event satisfaction.
- Memorable branded touchpoints elevate sponsor visibility and engagement.
- Ideal for meetings, networking, podcasting, coaching, recharging, and more.

## 3 Build more sustainable events.

- Significantly lower carbon footprint versus traditional build-and-break structures.
- Modular, reusable, and designed for long-term circularity.
- Aligns with sustainability commitments and reduces waste on show floors.

Fast deployment

Fully brandable

Compact footprint

High perceived value

Low Carbon Solution

Happier attendees stay longer, engage more deeply, and remember your event for all the right reasons.
